Affirmation of the Month

"All of the joys of heaven on this earth come from expanding, hour by hour, to more and more of what the soul desires."

Centre News for July 2011

Kim's Korner

I receive a weekly message online from ***Women at Heart***. Because I found wisdom and simplicity in this week's message, I decided to share it:

"When your life is filled with the desire to see the holiness in everyday life, something magical happens: ordinary life becomes extraordinary, and the very process of life begins to nourish your soul."

-- Rabbi Harold Kushner

"Human Beings serve best when they have ample time to rest, relax and play."

"If you live a life filled with love and presence in the moment, you are always serving."

"The ego helps you have the courage to expand past where you are comfortable and try new adventures."

"We all need to take part at this time to help others move out of fear and into love."

"All you are really required to do is to take the next step that feels joyful, that makes you feel happy and alive. Do that and you will have fulfilled your life's purpose."

How simple. How appealing.

President's Remarks

Anne Millar, volunteer extraordinaire, is stepping down from the position of Membership Chair. A big thank you to her for all her hard work over the past few years! Bonnie Youngman, our Secretary, will be taking on this role.

One of the things that Anne also did was to send out emails to those on our email list. We now have a PLC email account, which we will be starting to use soon to send out our emails. The email address is on the front page of our programme, and I will be monitoring it, so if you have any questions, suggestions, or just want to drop me a line, please do so.

We are reviving an old tradition at the PLC of having a ***Friendship Sunday*** in September. It will be held on September 18th, and is a chance for you to invite friends & family to see what our Centre is all about. We will have *extra special music and treats* (it coincides with the Centre's birthday, so I'm thinking Birthday Cake!)

Rev. Kim will be on her Spiritual Retreat for two weeks, so we have Rev. Joanna Drewry speaking on August 21st, and Rev. Greg Skala speaking on August 28th. I know that both of these talks will be both fun and inspiring!

Love,
Cathy Fletcher
President

Church Picnic

Sunday, Aug 14 @1:00pm

This will be held at Heritage Acres with the trains running just for us! We are going to invite the other New Thought Churches in Victoria, and you are welcome to invite friends and relatives, especially kids of all ages. Please bring your own beverage, plate, cutlery, etc. and a tasty dish to share. There are some picnic tables, but you might want to bring your own lawn chairs.

The *Vancouver Island Model Engineers* are donating their time to operate the trains. These are small trains, but still big enough to ride on, so they are lots of fun! Normally they ask for a donation, but in this case the donations will go towards Rev. Kim's Spiritual Retreat.

To get to Heritage Acres, head North on the Patricia Bay Highway, and turn right on Island View Road (this is where Michell's Farm Market is). Then turn left right away on Lochside Drive, it goes straight into the park.

See you there!
