The Book of the Month for August is the wonderful new work by Dr. Wayne Dyer entitled, "Wishes Fulfilled." You may have seen his recent presentation on this topic on public television. The book is "dedicated to your mastery of the art of realizing all your desires. The greatest gift you have been given is the gift of your imagination." Enjoy this easy to read presentation of one of the foundation truths of New Thought. Wonderful summer reading.

Affirmation of the Month

Because I know I create my world through my thoughts and feelings, I make clear concise statements of the good I desire and I have a clear vision of these desires. Then in total faith, I let go and let love find a way. And so it is.

Please note: From time to time we will take pictures or videos of people at services or events to put on our Website or Facebook. Please let us know if you do not want to be included in this.

Positive Living Centre of Victoria Centre News for August 2012

Kim's Korner

The theme of the 2012 Asilomar Conference is "Love's Connection." Each day will focus on a specific topic tying into the theme of love. I'm choosing to bring the conference theme to our August Bulletin and to our Sunday service throughout the month. I have chosen an article from the Science of Mind Text, written by Ernest Holmes, without whom the Asilomar Conference would not exist:

The Circle of Love is Complete
By Ernest Holmes

The circle of love is complete.
It comprehends all,
and binds all together
with cords of Everlasting Unity
I cannot depart from Its Presence, nor
wander from Its care.
My Love is complete within me.
The Love of God binds me to Itself, and
will not let me go.
I shall make a home for you,
O my wonderful Love,
and we shall journey through life

hand and hand.
I shall sit in your presence
and learn the wondrous things you will tell me.
For You are God.
Love sits within me.

This beautiful piece reminds us that we live and move and have our being in love.

Submitted In Love,
Rev. Kim

President's Remarks

I hope that everyone is enjoying their summer! If you know Rev. Pat Zogar, please take the time to send a birthday greeting and/or picture to her daughter, Susan, at salsawithsusan@shaw.ca in honour of her 70th birthday. Her Centre in Kamloops will be having a SURPRISE party for her on August 26 after church. Rev. Kim is planning to attend, so she can give Pat a big hug from all of us. We

will be blessed to have Rev. Greg Skala speaking here that day.

Love,
Cathy Fletcher
President

Our Sponsored Students

Grace Abay has finished her first year in a Bachelor of Science in Agricultural Engineering program at Kalinga Apayao State College with grade averages over 80%.

Dexter Pingi has finished the first year of his Bachelor of Secondary Education at The International Schools of Asia and the Pacific with A grades.

Both of these exceptional young people write us lovely letters filled with the energy of youth. They both express much gratitude and sincere wishes for the Creator's blessing of us, their sponsors.

In other news, Petra and her little daycare charges have planted a tree in honor of the PLC as longtime sponsors with the IAT, and have included a plaque which reads: "Change your thinking, change your life."

Love,
Pat
