

## ***Book Table / Lending Library***

February is Love Month and the Book of the Month selected for February is one that helps us to better express our love for our beautiful planet earth.

This month's book is "The Green Intention: Living in Sustainable Joy" by Sandy and Deanna Moore. This book was written to help people become more mindful of their thoughts, actions and habits. The Green Intention provides the guidelines and tools necessary to pinpoint and redirect the root intention to "live green". In commenting on this book noted author Marianne Williamson says: "The Green Intention illuminates the deepest meaning of sustainable living, taking the conversation of how to create a healthier planet to a deeper and more sacred place."

If you wish books to be ordered for you from Devorss or Dempseys publishing, please let the person at the book table know your requests. We will be pleased to bring books in for you.

Also, please remember our wonderful library – free and well stocked with all the core books to enrich your understanding of New Thought.

## ***Affirmation of the Month***

The glorious life of God pulsates through my entire being. Through my invitation, it magnifies peace, love, joy and harmony in my world. For this truth I give thanks. And so it is.

#### ***Kim's Korner***

February and the red hearts everywhere proclaim that romantic love is being celebrated. Even with all its challenges and pitfalls, romantic love is still to a large degree the out picturing of the perfect love of God that is at the core of life itself.

In its purest form this love is unconditional.

Paul Ferrini in his book "Love Without Conditions" says, "Real love does not change. It exists independently of the form through which it expresses. The Source of this eternal, omnipresent, formless Love is within you. This is where your faith must be placed, for this love is as certain as anything you will ever know. And once It is firmly established in your heart, you will never look for happiness outside of yourself." Touching this love is our birthright.

In Love,  
Kim

### ***Help needed!***

On the Sundays that we have events, we need a few more hands to help put food out, clean up & help with the dishes, as it has been difficult for the 2 coffee & dishes volunteers on duty to get it all done. It would mean helping a bit before church, going downstairs at about 11:45, & then finishing up by around 12:45 or 1pm. Would you be willing to help on any of the following dates?

Feb 12<sup>th</sup> - Cake to celebrate Valentine's Day

Feb 26<sup>th</sup> - AGM

We will know about future dates after our planning meeting on Feb 4th.

### ***President's Remarks***

I am very excited to let you know that Kari Frazer has agreed to do some Public Relations and Webpage work for us at a reduced fee. Joanna and I have met with her a couple of times and she has some great ideas, including putting some videos on the website. Some of you probably met her on our Tithing Sunday when she was filming the service. She is also going to produce a Facebook Fan Page, so I hope lots of you are on Facebook!

See you at the AGM!

Love,  
Cathy Fletcher  
President
