Kim's Korner

"If we are to reach real peace in this world, and if we are to carry on a real war against war, we shall have to begin with the children; and if they will grow up in their natural innocence, we won't have to struggle; we won't have to pass on fruitless idle resolutions, but we shall go from love to love and peace to peace to peace, until at last all corners of the world are covered with that peace and love for which consciously or unconsciously the whole world is hungering for." Mohandas (Mahatma) Gandhi

"The individual, he is a branch of a plant. Jesus uses this image when he says, *I am the vine, you are the branches.*"
Joseph Campbell

We are interlocking pieces in a vast puzzle, each piece unique and of great importance to the evolution of the whole.

In love,
Kim

President's Remarks

Last month we did some shuffling of board responsibilities and think that we have come up with a good fit of jobs for everyone. Bonnie is now the Secretary, and brings lots of experience in this area. Rev. Joanna is taking over the Book Table & Lending Library, which seems fitting as she is very knowledgeable about New Thought books. And Christine is now the Social Convener, which suits her much better than Book Table Leader. I wish them all joy in their new endeavors!

I would like to thank all of you for your support of me, the new board and the Positive Living Centre. With our volunteering, gifts of flowers and treats, and financial contributions, we are all making this a successful, joyous, and inspirational community!

Let's spread this joy by participating in some kind of charitable project in our larger community. A couple of years ago, we committed to preparing lunch one Saturday a month for the people working on a Habitat for Humanity project. What can we think of next? It doesn't have to be a huge undertaking. Please let me know if you want to be part of a brainstorming group for this.

Wishing all of you a fabulous Mother's Day!

Love,
Cathy Fletcher
President

Book Table / Lending Library

As we have recently had a new Board appointed, Christine Rerrie has moved on from the Book Table to become our Social Convener. I want to thank her for the wonderful job she did over the last six months on the Book Table. I, Joanna Drewry, have agreed to take over the Library and Book Table.

Watch for five exciting new books to appear for sale during the month of May - only two copies of any new book will be ordered so we can be assured of sales! I will announce when they are in.

There is quite a backlog of books purchased in recent months so a book sale will be held on one Sunday during May. Stay tuned for the date.

Not ready to buy books? Please take advantage of our Lending Library. You can borrow books by Ernest Holmes and many other New Thought authors. We have recently had a few new books donated, so do have a look each month to see what is available. If there is a particular book you would like to borrow, let the book table volunteer know this and we may be able to purchase some new books for the Library during the next few months.

Please enjoy the wonderful resources of the Book Table and Lending Library - they are there to provide all those interested with exciting learning opportunities in New Thought!

Love and Light!
Joanna
