

## ***The Library***

Book sales on the table are going very well at the moment. We have attempted to recommend a variety of books. This month's **Highly Recommended** books are:

**Excuses Begone** by Wayne Dyer

**The Shack** by William P. Young, an allegorical tale similar to "Hinds Feet in High Places" (*Do you remember that in the 70's?*)

The November choice of **Book of the Month** is:

**The Miracle of Love** by Paul Ferrini and is the sequel to **Silence of the Heart** by the same author.

We also have now new copies of **Science of the Mind** by Ernest Holmes.

Happy readings and Blessings,

Thelma

#### ***Kim's Korner***

I'm pleased to report that the Foundations Class is unfolding beautifully. There are 11 people attending so we have an exciting exchange of ideas happening each week. It is an awareness expanding two hours. This class can be taken for personal development or as accredited leadership training. Jennifer Tennent and Joanna Drewry are in 5<sup>th</sup> year and will be ordained in June at the Winnipeg Canadian New Thought Conference. Jennifer and Joanna, sincere congratulations to each of you for your commitment to yourselves and to the expansion of New Thought principles.

Yaaaaa - a New Movie Screen!

No more fuzzy on the wall movies. A special thanks to Jennifer Tennent for the research that went into choosing the screen and to Jennifer and Tony Dann for the muscle that installed it.

### **The Living Matrix**

This is a must see if you are interested in knowing more about how illness is created and how to heal it. In the Science of Mind text Ernest Holmes said he looked forward to the day when science and religion met. It has happened. It is EXCITING. Bring your friends.

### ***President's Remarks***

When I first agreed to accept the role of President of the Board I did not think that the forthcoming year would be so energized. We seem to have had such wonderful Spiritual gifts given to us in a number of ways.

Have you noticed all the new faces in our congregation on Sundays?

Have you heard how the 20 members of our congregation participated in and were excited by the Retreat at Queenswood in August? So much so that they are anxious to continue meeting and to participate in another retreat in July of 2010.

We are gratified by the attention and enthusiasm of the current members of the Board who give of themselves very freely.

We were sorry to hear that the Treasure table is in a state of flux but I heard the other evening that there is another group wishing to continue the fine work done over the years by The Amazing Grays. We are all deeply indebted to them for the vigilance and continuity they have provided over the past many years. Thank you to ALL past and present members of the Amazing Grays!

Whilst living in the moment, we are in awe of the Spiritual potential of the coming year, 2010, and look forward to the blessings which await us.

Tony Dann, President of the Board
